

## **Gail Tucker**, Incumbent

Nominated By: Dana Pope

Gail has served on the Board of Directors of Reddy Kilowatt Credit Union for the past 12 years, having served as Chair of the Board for the last three years. During her tenure on the Board, Gail has led the strategic planning and executive-level performance management processes and played a critical role in the planning and construction of Reddy Kilowatt's building. Gail has also served on the credit union's Human Resources, Governance and Audit committees.

As a Director, Gail prides herself on bringing an honest and direct voice to the Board table, while working respectfully and cooperatively with others to ensure the needs of the credit union and its members are met. Gail's focus on service excellence, accountability and leadership align with Reddy Kilowatt's goals of continued growth, financial strength and member service.

Gail lends to the Board her expertise in strategic planning, business management, corporate communications and relations, and regulatory and corporate governance. Gail has a long history with Reddy Kilowatt Credit Union – she grew up with the organization (her father was a retiree of Newfoundland Power) and previously worked with the Fortis Group of Companies. Gail is a graduate of Memorial University's Faculty of Business Administration. She has worked in both the private and public sectors and served on a variety of organizational committees. Gail is currently employed with Newfoundland and Labrador Hydro.

*"I would be pleased to continue as a member of the Board of Directors in supporting Reddy Kilowatt and its members. The values of the credit union – that of valuing people, striving for excellence and exhibiting integrity in all that you do – are synonymous with my own. I am committed to the credit union's future growth and development by serving as an active and engaged Director. As the qualifications I offer are compatible with the needs of the Board, I respectfully ask for your vote and thank you for your consideration."*
